THE JOB IN A NUTSHELL:

- Collaborate around the creation of new features and refinement of existing features
- Craft and maintain applications for the Web, Mobile Web, iPhone and Android
- Implement beautiful user interfaces
- Analyze usage data to make product interface recommendations and improvements
- Participate in other special projects as required

ABOUT YOU:

- Extraordinary software engineering talent
- Passion for implementing beautiful user interfaces using Javascript, HTML and CSS
- Expert ability to get things done on a small team
- Visual design skills (layout, hierarchy, typography, colour theory, patterns) and a fanstastic attention to detail down to the pixel
- Expertise in web design and various graphics tools (particularly Photoshop and Illustrator)
- Experience with jQuery an asset
- Experience working on a high traffic web application an asset
- A University or College graduate

STUFF THAT'S NOT ON A RESUME:

- Enthusiastic about the retail and mobile space and willingness to develop deep understanding of the business and where it's heading
- Passion for design, consumer experiences and data driven product development
- Self-motivated and entrepreneurial team player
- Enthusiastic with a passion for excellence
- Mature, honest, hard working yet light hearted
- Driven and determined; makes things happen
- Thirst to learn and develop skills

ABOUT

TORSTAR

DIGITAL:

<http://www.torstardigital.com>

Torstar Digital's mission is to deliver technology and strategic leadership to its online-only properties, create winning online and mobile businesses that can leverage Torstar Corporation's wealth of media assets and assist in online enabling of Torstar Corporation's existing portfolio of print businesses. Torstar's current portfolio of leading digital properties includes thestar.com, workopolis.com, wagjag.com, toronto.com, wheels.ca, Olive Media and a variety of regional sites.

ABOUT SHOPCATCH:

This new Torstar Digital Venture is operating in the intersection of

three of the most exciting and meaningful trends of this year: The explosive growth of mobile, the large and fascinating retail industry, and the exceptional popularity of "Deals"... This new venture is focused on connecting consumers and retailers through mobile platforms, technology and mobile marketing tools.
